

Welcome to Travel Camp

We are excited to have your child in Travel Camp this summer! I would like to introduce myself and the counselors for the summer.

My name is Jackie, and I have been with the park district for 7 years. During the school year I work in Kinder Stop program as the after-care coordinator. This is my second summer as travel camp coordinator.

Meet the counselors

Daniela- Daniela has worked for the park district for 5 years. During the school year she works in our Kinder Stop program.

Denisse- Denisse has worked for the park district for 3 years. During the school year she also works in our Kinder Stop program.

Useful Information

Camp starts at 9am and ends at 3pm. Drop off is in the Gary Morava Recreation Center Gymnasium and pick up is at McDonald ball field (the corner of Elm St. and Camp McDonald Rd).

Staff is not allowed to apply sunscreen. Please apply before coming to camp and send spray sunscreen.

Send your child with a lunch, backpack, towel, swim suit, sunscreen, water bottle and snacks. We do have a concession stand campers can purchase items from. Extra spending money for field trips is optional.

Electronics, and "home" items will not be allowed in camp. Please help the staff out by talking with your child about the use of cell phones. Cell phone/electronics will not be allowed during camp hours.

Phones/electronics should remain in their backpacks. The only exception is we allow the campers to use their phones in the busses while we are driving to the field trips (and back).

The calendars will be posted on our website at www.phparks.org. Extra copies will be available inside the Gary Morava Recreation Center, across from the registration desk.

Please feel free to communicate with me in person or by calling the park district at 847.394.2848 Looking forward to a safe summer.
